<b>Request Title (Short Title)</b>	Adverse Selection Among the Uninsured			
<b>Data Request Description</b>	<p>1. Is there an adverse selection among the uninsured--Are they more ill? (Possible sources of answer: VODI, HMA, IOM)</p> <p>2. What is mandated to be in benefit packages?</p> <p>3. How much is paid in Michigan for workman's compensations, auto-medical, and uninsured motorists?</p> <p>4. What are the number of children in MI child and Medicaid? What are the expenses in MI child and Medicaid for these children?</p> <p>5. What is the percentage of people in Michigan with high cost diagnoses (for instance diabetes and asthma) and what is the cost of this care?</p>			
<b>Why is the Data Needed?</b>				
<b>How will the Data be Used?</b>				
<b>How will Use of this Data Further SPG Project Goals?</b>				
<b>When is the Data Needed?</b>				
<b>What Potential Sources for this Data has Your Group Identified?</b>	<p>VODI, HMA, IOM  <a href="http://www.michigan.gov/documents/mifact_6829_7.pdf">http://www.michigan.gov/documents/mifact_6829_7.pdf</a> regarding the instance of diabetes in Michigan.          Here is another document that helps provide a better perspective than we have been getting from our consultant group on what has been done and is being done in various communities. I believe there are some lessons and ideas we might be able to glean from this material. (See link below.)  <a href="http://www.saveourers.org/SOE.ExecutiveSummary.pdf">http://www.saveourers.org/SOE.ExecutiveSummary.pdf</a></p>
